## January 2023

### Administrative Message

We hope that everyone had a great holiday break and was able to spend time with friends and families. We would like to thank the families that attended our Winter Concert on December 22<sup>nd</sup>. It was exciting to see the community come together in a standing room only performance. As we move into 2023 we have talked about setting goals, kindness, and resilience as a school. Mrs. Kenny and I are thrilled to see the kindness that is shown at Hillcrest Public School. We have an amazing community and wish everyone the very best in 2023.

Mr. Meraska & Mrs. Kenny

### Lunch Program/Fundraising Update

Please continue to watch for emails from School Cashonline regarding lunch/snack programs available at Hillcrest. Currently we offer pizza, pitas, and pasta. We will be adding bags of popcorn for sale once a week shortly.

Hillcrest Public School donated \$765 to Barrie Christmas Cheer through donations that families made during the month of December. Please mark January 24<sup>th</sup> down for our Wendy’s fundraiser (Dunlop Street) where 10% of sales that evening support Hillcrest Public School. The Hillcrest Spirit Wear store will be opening at the end of January to purchase school clothing (more information to follow).

### FLIPGIVE Fundraiser

FlipGive is a fundraiser where the school can earn cashback for shopping you already do. It is a website where you can purchase gift cards electronically. To join visit [FlipGive.com](https://www.flipgive.com) and use the code RGKRXX.

### Chicken on The Run Fundraiser

We are proud to be working with "Chicken on the Run" again this year. All orders can be placed online with deliveries made directly to your house. A copy of the flyer is attached, and all proceeds will go to support General School Needs around the school and School Enhancements.

[..\..\Chicken on the Run.jpg](#)

### Character attribute for the month of January

Honesty - we behave in a sincere, trustworthy and truthful manner.

More information about character education can be found here:

[www.scdsb.on.ca/about/character\\_education](http://www.scdsb.on.ca/about/character_education).

### **Significant days, holy days, holidays and heritage recognition occurring in the month of January**

As you prepare your school's newsletter package, please review the [Days of Observance \(NM1\)](#). Please include what is relevant to your school community in your January newsletter package. To further share these dates with your school community, you can now link directly to the SCDSB Days of Observance on the SCDSB website: <https://bit.ly/3Ln2Mfb>.

### **January PA Day**

Please note that Friday, Jan. 27 is a PA Day for elementary SCDSB students. Please refer to the 2022-23 School Year Calendar on the SCDSB website for more information:

[www.scdsb.on.ca/elementary/planning\\_for\\_school/school\\_year\\_calendar](http://www.scdsb.on.ca/elementary/planning_for_school/school_year_calendar).

### **Communication to families regarding inclement weather days**

#### **Inclement weather and bus cancellation information reminder**

All information regarding cancelled buses in Simcoe County is posted on the Simcoe County Student Transportation Consortium (SCSTC)'s bus information website at [www.simcoecountyschoolbus.ca](http://www.simcoecountyschoolbus.ca). Our school is in the **CENTRAL WEATHER** zone. When buses are cancelled, schools remain open for student learning, unless otherwise noted. School staff are expected to plan for such emergencies in order to transition students who are unable to attend due to inclement weather, to their online platforms (Google Classroom and/or SCDSBhub [Brightspace by D2L]) and continue with academic programming. It is always a family decision whether or not it is safe for their child(ren) to leave for school under severe weather conditions.

The Consortium and bus operators try to make the decision to cancel school buses before 6 a.m. and make every effort to post announcements before 7 a.m. Inclement weather cancellations are effective for the whole day and buses cancelled in the morning will not run at the end of the day. You can follow the

Consortium on Twitter [@SCSTC\\_SchoolBus](https://twitter.com/SCSTC_SchoolBus) for bus cancellations and other information. You can also subscribe to receive bus delay notifications here:

<https://scstc.ca/Subscriptions/Login.aspx>.

### **Kindergarten registration for September 2023 is open!**

Kindergarten is the beginning of a wonderful journey of learning, and we want your child to begin their journey in a SCDSB school! Do you have a child who is turning four in 2023? If so, we invite you to register your child for Kindergarten. To register online or for more information visit: [www.scdsb.on.ca/kindergarten](http://www.scdsb.on.ca/kindergarten).

### **Let's talk Kindergarten! Join the SCDSB for a live virtual info session on Jan. 24**

Do you have a child who is turning four in 2023 and are interested in learning about Kindergarten in the Simcoe County District School Board (SCDSB)? Join us Tuesday, Jan. 24 from 7 to 7:30 p.m. for a virtual info session. This presentation will be hosted by members of the SCDSB's early years team, who will provide parents/guardians with important information they need to know about Kindergarten. More details regarding this event will be shared on the SCDSB website and social media platforms in January.

### **Early learning and child care**

The Simcoe County EarlyON Child and Family Centres are excited to offer programs that help prepare children and parents for Kindergarten. Programming will be offered in the spring of 2023. For more information and to find your local EarlyON provider, visit: <https://linktr.ee/earlyonsimcoe>.

### **High school information events for Grade 8 students**

Is your child starting Grade 9 next year? High school information events will take place in person this winter! Student leaders and staff at the school will give an overview of what's new and what to expect. Learn about courses offered, as well as information about teams and clubs. Please visit the [SCDSB website](#) to find details on your high schools' info night, and contact the school directly for more information.

### **Standards of behaviour and consequences for student action related to racism, bias or hate**

At the SCDSB, we are committed to maintaining safe, inviting and supportive school environments, and recognize that all students have the right to be safe, and feel safe, in our schools. With this right comes the responsibility to contribute to a positive school climate.

We want you to know that any incident of racism, bias or hate will not be tolerated. Any such incident is treated very seriously with immediate action and consequences in accordance with the requirements of the *Education Act*, and consistent with our values and obligations under the *Ontario Human Rights Code*.

Students who engage in acts of racism, bias or hate will face severe consequences as a result of their actions. Please take a moment to review the [SCDSB Code of Conduct](#) with your child(ren). The Code of Conduct sets clear standards of behaviour and specifies consequences for student actions that do not comply with these standards.

We are dedicated to educating our students and staff about the injustice and impact of systemic racism. We continue to work with students, staff, parents/guardians and community partners to ensure that our schools are the safe places they are intended to be for all students.

### **Interested in learning more about the ways that the SCDSB supports students with special education needs and their families? Join us for a virtual special education outreach series**

In 2023, the Simcoe County District School Board (SCDSB) is hosting virtual special education outreach sessions to assist parents/caregivers in learning more about programs, supports and ways that we work together to support students with special education needs.

#### **IEPs and school-based assessments – information for parents/caregivers**

Jan. 12

6:30 to 7:30 p.m.

#### **Supporting students with autism spectrum disorder**

Feb. 14

6:30 to 7:30 p.m.

#### **Supporting students as they transition into school, from one school to another, and from school upon graduation**

April 20

6:30 to 7:30 p.m.

#### **Working with families to create safe and supportive environments for children who have experienced trauma**

May 9

6:30 to 7:30 p.m.

Participants are asked to register in advance.

Information to access the sessions will be shared via email with individuals who have pre-registered. Learn more about each session and how to register on the

SCDSB website at

[www.scdsb.on.ca/elementary/special\\_education/special\\_education\\_outreach\\_sessions](http://www.scdsb.on.ca/elementary/special_education/special_education_outreach_sessions).

#### **Ontario Ministry of Education tutoring services**

The Ontario Ministry of Education is supporting tutoring services in schools and in the community until the end of March 2023. Schools offering after school tutoring services will advertise this service directly to parents/guardians. Community tutoring agencies provide free-of-charge tutoring to Simcoe County District School Board (SCDSB) students after hours in the community and online. Contact information for community tutoring agencies can be found at

[www.scdsb.on.ca/elementary/tutoring\\_programs](http://www.scdsb.on.ca/elementary/tutoring_programs).

Tutoring is available to all SCDSB students from Junior Kindergarten to Grade 12. The SCDSB is also seeking members of the community to act as tutors in our schools during the school day. All candidates must apply through Apply to Education Posting #3361243.

Candidates are required to be interviewed by SCDSB administration, provide professional references, and complete a Vulnerable Sector Screen through their local police service. For more information, please email [tutoring@scdsb.on.ca](mailto:tutoring@scdsb.on.ca).

#### **Bite-sized math support at home**

Are you looking for a quick way to support your child in developing their numeracy skills? Here are two resources that provide math activities that can be done in 5 minutes or less!

1. [mathbeforebed.com/](http://mathbeforebed.com/)

We know that daily reading at home supports your child's literacy development; the same is true with math! This website provides images that can be used as a quick number talk before bed. Ask your child: "how many do you see?" and "how do you know?" This website has content for students of all ages.

2. [www.parentengagementmatters.ca/math-storytime](http://www.parentengagementmatters.ca/math-storytime)

Math Storytime is a tablet-based app for ages 5-8 that contains stories about basic math concepts. The stories provide the opportunity for talking about math at home.

#### **Foundational literacy skills - oral language**

Based on decades of research, we know the foundational literacy skills necessary for students to learn to read. Oral language is a natural process for us as humans, and our brain is wired for speaking and listening. As children interact with others, they acquire

# THE TIGER TALES

HILLCREST PUBLIC SCHOOL 184 TORONTO STREET BARRIE, ON L4N 1V5 705-728-5246

language skills, learning the pronunciation of words and their meaning. Oral language helps children learn the sound structure of language and build vocabulary and background knowledge. Oral language is the foundation for reading and writing.

Here are some ways you can support oral language development with your child(ren) at home:

- Sharing oral stories
- Active, everyday conversations
- Listening games such as Simon Says
- Dramatic play where your child takes on imaginary roles
- Reading books together

## Four ways to improve your child's study habits

As we welcome the new year, people often take this time to reflect and make resolutions to form good habits for the year ahead. For some, these resolutions are personal goals, like cooking more meals at home, or joining a local gym – but what about setting family goals? As a parent, you can help your children set goals that will help them succeed at school, such as improving study habits.

It is difficult to see your child struggle with their schoolwork, but with these tips, your child will be able to effectively use their study time to thrive in school this year. Even better, working on these habits now will set them up for success for years to come — both in school and in the workplace. Here are four ways you can help improve your child's study habits:

### 1. Eliminate distraction

Learning requires focus and concentration to be successful. Removing distractions from your child's learning space is crucial. Portable technology is the largest distraction when it comes to studying. While studying, try to choose a location outside of their study space where they can leave their phone or tablet to minimize distractions. Of course, there are other types of distractions as well, such as a nearby TV or other children. If possible, find a study location away from the home's common space. Allow your child to turn on white noise or music if it helps them concentrate. It might aid in blocking out other obtrusive sounds so they can concentrate on their schoolwork.

### 2. Try alternatives to reading

It can get tiresome to read notes and textbooks to

learn new information. Your child can only focus for so long before they begin to lose interest and tire of the subject. Try alternative strategies, such as creating flashcards, finding an informative video, listening to educational podcasts or audio books, or asking them to visualize a concept with a graphic or diagram. Kids learn in different ways. Find what works best for your child and use it to their advantage. Just be sure to keep the focus on studying and avoid the online distractions.

### 3. Give regular praise

Positive parenting and recognizing their accomplishments (both big and small) may be all the motivation they require to succeed. Let them know you appreciate all their effort and hard work. Make sure to celebrate effort over outcome to show your child that trying is the most important thing. Some great wins to celebrate include solving a tricky problem, reaching a reading or math goal, or finishing a project or assignment. Let them know you are proud of them and that they should be proud of themselves as well. They'll be eager to advance if you sometimes throw in a special treat or outing!

### 4. Find additional help when needed

Perhaps one of the biggest lessons for students to learn is not be afraid to ask for help when needed. However, as a parent, sometimes we don't have the knowledge or ability to provide the help they need when it comes to schooling. That's when it's important to seek additional help, such as a tutor. Tutors can provide professional, tailored help to students, whether it is with an entire subject or a concept within a subject. Tutors can help your child succeed in school, while giving you peace of mind that they are learning with a professional.

The Simcoe County District School Board (SCDSB) has teamed up with the YMCA of Simcoe/Muskoka to launch the Y Achieve Tutoring program. This program provides free tutoring sessions outside of school hours, free of charge for any students who may be struggling. These sessions are open to students from Grades 6 to 12 attending a school within the SCDSB, whether you have a YMCA membership or not. For more information, or to book a session online, please visit [www.ymcasm.ca/tutoring](http://www.ymcasm.ca/tutoring) or contact [morgan.gillies@sm.ymca.ca](mailto:morgan.gillies@sm.ymca.ca).
